

Head Varsity Boy's Soccer Coach & Teaching Faculty

Housing is provided with this position.

Coaching Responsibilities

The Varsity Boy's Soccer coach directs all aspects of the Boy's Soccer program and adheres to Winchendon's mission and values. Coaching responsibilities will include and are not limited to typical duties associated with high school soccer programs such as teaching and refining fundamental skills, practice planning, game management, video management, recruitment of student athletes, supporting student/athletes in the college counseling process, and working with the communications and development offices when necessary. The successful coach will be committed to working with and developing high school students within the context of a boarding and day school committed to promoting health and wellness, citizenship, teamwork, and sportsmanship.

Faculty Responsibilities

Compelling candidates will be able to contribute meaningfully as a teaching faculty member in a core subject area (English, Mathematics, Science, Social Studies) or as a member of the college counseling office. Additionally, they will be a full member of the residential and community life team.

The Winchendon School does not discriminate based on race, gender, national or ethnic origin, ancestry, religion, sexual orientation, or disability.
